Central Region

VISS CENTRAL REGION 2021

It is with great pleasure that we announce the opening of Sharjah's next outstanding school, **VISS Central Region** in August 2021. The Victoria International School of Sharjah has long been associated with the highest quality education in Sharjah and is well recognized as a leading school in the region.

Following a directive from His Highness Sheikh Dr. Sultan bin Muhammad Al Qasimi, Supreme Council Member and Ruler of Sharjah, in 2020 to establish a world class school for the people living in the central regions of Sharjah, we are proud to be expanding the VISS family to our brand-new world-class campus in Al Maliha. With the support and vision from HH and drawing on the many years of educational success of VISS, our Central Region school promises to offer an outstanding education for generations of children in the central regions of Sharjah.

VISS Central Region will be a world class school with facilities that have been designed to maximize the learning, wellbeing and growth of every child. With exceptional sporting and performing arts facilities and the most modern ICT infrastructure of any school in Sharjah, this campus will quickly become the envy of other schools across the UAE.

VISS Central Region will share the same values and quality that has made VISS one of the best schools in the region. Well trained teachers and leaders who will work closely with their colleagues across the VISS network will ensure that VISS Central Region will quickly become the school of choice for families in central Sharjah.

A focus on community, values and respectful behaviors will be at our forefront as we seek to shape an education around the local and national culture, whilst also looking outward with an international perspective. VISS Central Region will have a special focus on ensuring that our Arabic and Islamic Studies programs are of the highest quality, building on the exceptional reputation VISS has had in these subjects over the years.

A VISS education is a holistic education where all students can thrive in a safe and caring environment with integrity and respect for others as core values. We look forward to meeting you and having you join our growing family.

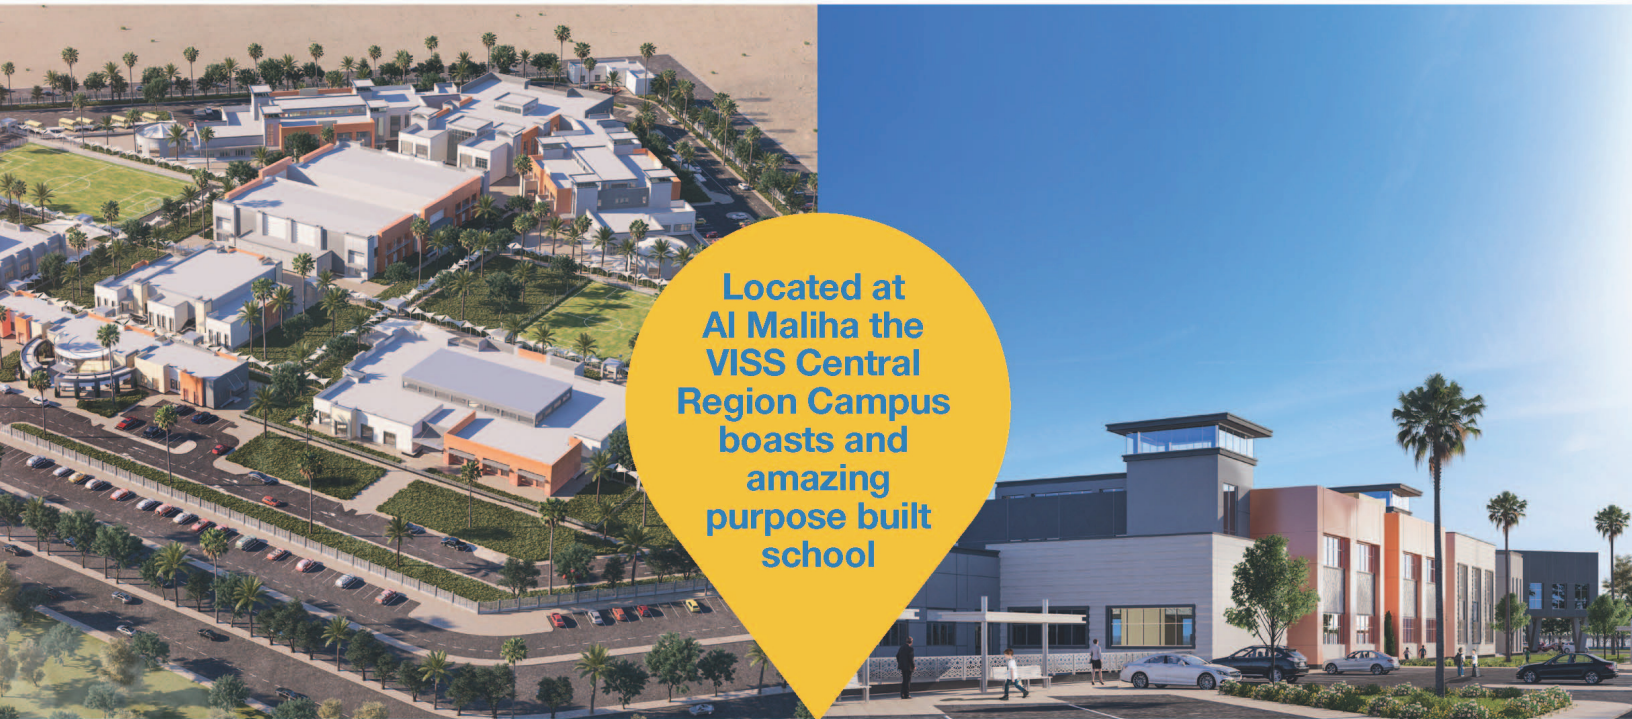

Kind Regards,

Dean Pyrah
Executive Principal

ABOUT OUR CAMPUS

Continuing to build on the vision of His Highness Sheikh Dr Sultan Al Qassimi, Member of the Supreme Council and Ruler of Sharjah, VISS is pleased to announce that we are expanding the great success of VISS to new purpose built campuses within the Emirate of Sharjah. The intention is to enable more communities access to a world class Education that celebrates Learning, Community, Diversity, Integrity and Excellence.
